Well, you piss me off with the things you say,  
You piss me off in a major way,  
You piss me off every other day,  
But you better not piss me off today,  
Hey! Listen up baby,  
Stay out of my way,  
Hey! Comprunday?

Yeah, you piss me off with the things you say,  
You piss me off in a major way,  
You piss me off every other day,  
But you better not piss me off today,

Hey! Listen up baby,  
Stay out of my way,  
Hey! Comprunday?

Go ahead make my day.  
I said you piss me off with the things you say,  
You piss me off in a major way,  
You piss me off every other day,  
But you better not piss me off today,  
Hey! Listen up baby,  
Stay out of my way,  
Hey! Comprunday?
