Ohhhh (Oh yeah)

Everytime we touch
I can't get enough
My feelin's jump on and on
Oh I want you so much
Baby I confess
I'm a total mess
When you're around the only sound I hear is my heart
goin

CHORUS

Boom, boom, boom, boom, boom, boom, boom
Everybody in love knows
The way you make my heart go
Boom, boom, boom, boom, boom, boom, boom
It only beats this way for you

Somethin in your eyes
Tells me that your mine
Can't you see that you and me
Get Better all the time
And girl with every kiss
I can promise this
You'll always be
What I need
You always make my heart go

CHORUS

What you do (makes me crazy) crazy for you
Boom, boom, boom, boom, boom, boom, boom
Boom, boom, boom, boom, boom, boom, boom
Everybody in love knows
Girl you make my heart go
Everybody in love knows
Girl you make my heart go

CHORUS

(repeat until fade)

Boom, boom, boom, boom, boom, boom, boom,
Everybody in Love knows
The way you make my heart go
