I don't like to be alone in the night  
and I don't like to hear I'm wrong when I'm right  
and I don't like to have the rain on my shoes  
but I do love you, but I do love you

I don't like to see the sky painted grey  
and I don't like when nothings going my way  
and I don't like to be the one with the blues  
but I do love you, but I do love you

Love everything about the way you're loving me  
the way you lay you're head upon my shoulder when  
you sleep  
and I love to kiss you in the rain  
I love everything you do, oh I do

I don't like to turn the radio on  
just to find I, missed my favorite song  
and I don't like to be the last with the news  
but I do love you, but I do love you

Love everything about the way you're loving me  
the way you lay you're head upon my shoulder when  
you sleep  
and I love to kiss you in the rain  
I love everything you do, oh I do

and I don't like to be alone in the night  
and I don't like to hear I'm wrong when I'm right  
and I don't like to have the rain on my shoes  
but I do love you, but I do love you  
but I do love you, but I do love you...
