I don't like to be alone in the night  
And I don't like to hear I'm wrong when I'm right  
And I don't like to have the rain on my shoes  
But I do love you  
But I do love you

I don't like to see the sky painted grey  
And I don't like when nothings going my way  
And I don't like to be the one with the blues  
But I do love you  
But I do love you

Love everything about the way you're loving me  
The way you lay you're head upon my shoulder when  
you sleep  
And I love to kiss you in the rain  
I love everything you do, oh I do

I don't like to turn the radio on  
Just to find I missed my favorite song  
And I don't like to be the last with the news  
But I do love you  
But I do love you

Love everything about the way you're loving me  
The way you lay you're head upon my shoulder when  
you sleep  
And I love to kiss you in the rain  
I love everything you do, oh I do

And I don't like to be alone at night  
And I don't like to hear I'm wrong when I'm right  
And I don't like to have the rain on my shoes  
But I do love you, but I do love you  
But I do love you, but I do love you...
