Spread your love on fly.....(3x)  
All around the world statues crumble for me  
Who knows how long Ive loved you?  
Everywhere I go people stop and they see  
25 years old my mother god rest her soul  
I just want to fly  
Put your arms around me baby...(2x)  
I just want to fly  
Put your amrs around me baby...(2x)  
Yeah  
Spread your love on fly oh me oh me speard your love  
on fly  
Dance a little stranger show me where youve been  
say what?  
Love can make you hostage wanna do it again?  
word  
theres no time to think about the starting or the end  
will find out, im told my mother she told me so  
I just want to fly  
high high higher high high  
Put your arms around me baby (2x)  
yea  
I just want to fly  
like a birdie in the sky up so high  
Put your arms around me baby.....(2x)  
I just waannnnnt tooo fly  
I just waannnnnt tooo fly  
spread your love on fly
