You don't know how you met me

You don't know why

You can't turn around and say goodbye

All you know is when I'm with you, I make you free

And swim through your veins like a fish in the sea

I'm singin

Follow me everything is alright

I'll be the one to tuck you in at night

And if you

Want to leave I can guarantee

You won't find nobody else like me

I'm not worried bout the ring you wear

Cause as long as I know one knows than nobody can  
care

You're feelin guilty and I'm well aware

But you don't look ashamed and baby I don't care

I'm singin

Follow me everything is alright

I'll be the one to tuck you in at night

And if you

Want to leave I can guarantee

You won't find nobody else like me

Won't give you money

I can't give you the sky

Your better off if you don't ask why

I'm not the reason that you go astray

And we'll be alright if you don't ask me stay

Follow me everything is alright

I'll be the one to tuck you in at night

And if you

Want to leave I can guarantee

You won't find nobody else like me

You don't know how you met me

You don't know why

You can't turn around and say goodbye

All you know is when I'm with you I make you free

And swim through your veins like a fish in the sea

I'm singin

Follow me everything is alright

I'll be the one to tuck you in at night

And if you

Want to leave I can guarantee

You won't find nobody else like me

I'm singing

Follow me everything is alright

I'll be the one to tuck you in at night

And if you

Want to leave I can guarantee

You won't find nobody else like me

I'm singin

Follow me everything is alright

I'll be the one to tuck you in at night

And if you

Want to leave I can guarantee

You won't find nobody else like me
