Oh, yeah....

[Chorus:]

(I,I,) I'm just a love machine and I won't work for  
nobody but you  
(I,I ) I'm just a love machine ....  
A hugging kissing fiend

[Verse # 1]

I think it's high time you knew  
Whenever I think of you  
My mind blows a fuse  
When I lookin your eyes  
My meter starts to rise  
And I become confused  
My motor cranked electric goes  
When I'm sitting next to you  
Electricity starts to flow  
And my indicator starts to glow

[Repeat chorus]

[Verse#2]

I'm gentle as a lamb  
I'm not that hard to program  
There's no way that you can lose  
Chassis fits like a glove  
I've got a button for love  
That you've got to use (push it push it baby)  
If you look into my power  
I am sure you can find out how  
To turn me on just set my dial  
And let me love you for a little while ooooooh

[Repeat chorus]

La... La la la la.....

La la la la.. La la La la la la..

La la la.... La la laaaaaaaaa

Push it push it baby, yeah.....ah, ah

[Repeat chorus]
