Come over here
All you got is this moment
The twenty-first centurys yesterday
You can care all you want
Everybody does yeah thats okay

So slide over here
And give me a moment
Your moves are so raw
Ive got to let you know
Ive got to let you know
Youre one of my kind

I need you tonight
cause Im not sleeping
Theres something about you girl
That makes me sweat

How do you feel
Im lonely
What do you think
Cant take it all
Whatcha gonna do
Gonna live my life
