Time, sometimes the time just slips away
and your left with yesterday
Left with the memories
And I, I always think of you and smile
and be happy for the time
i had you with me.

Bridge:

though we go our seperate ways
i won't forget, so don't forget
the memories we made.

Chorus 1

Please remember, please remember
I was there for you and you were there for me
Please remember our time together
when time was yours and mine
and we were wild and free.
Please remember, please remember me.

Goodbye, there's just no sadder word to say
and it's sad to walk away
with just the memories.

Bridge 2:

who's to know what might have been
we leave behind a life and time
we'll never know again.

Chorus 2

please remember, please remember
I was there for you and you were there for me
and remember please remember me.

Chorus 1 (x1)

and how we laughed and how we smiled

and how this world was yours and mine
and how no dream was out of reach
i stood by you, you stood by me
we took each day and made it shine
we wrote our names across the sky
we ran so fast we ran so free
I had you and you had me
please remember,
please remember
