Time, sometimes the time just slips away  
and you left with yesterday  
Left with the memories  
And I, I always think of you and smile  
and be happy for the time  
i had you with me.

Bridge:

though we go our seperate ways  
i won't forget, so don't forget  
the memories we made.

Chorus 1

Please remember, please remember  
I was there for you and you were there for me  
Plases remember our time together  
when time was yours and mine  
and we were wild and free.  
Please remember, please remember me.

Goodbye, there just no sadder word to say  
and it's sad to walk away  
with just the memories.

Bridge 2:

who's to know what might have been  
we leave behind a life and time  
we'll never know again.

Chorus 2

please remember, please remember  
I was there for you and you were there for me  
and remember please remember me.

Chorus 1 (x1)

and how we laughed and how we cried  
and how this world was yours and mine

and how no dream was out of reach  
i stood by you, you stood by me  
we took each day and made it shine  
we wrote our names across the sky  
we ran so fast we ran so free  
I had you and you had me  
please remember,  
please remember!
