Know all about  
about your reputation  
and now its bound to be a heartbreak situation  
but i cant help it if i'm helpless everytime that i'm  
where you are

(Bridge)  
You walk in and my strength walks out the door  
say my name and i can't fight it anymore  
oh i know i should go  
but i need your touch  
just to damn much

(Chorus)  
Loving you  
Yeah isn't really something i should do  
shouldn't wanna spend my time with you, yeah  
i should try to be strong  
but baby your the right kinda wrong  
yeah baby your the right kinda wrong

It might be a mistake  
a mistake i'm making  
but what your giving i am happy to be taking  
'cause no one's ever made me feel the way i feel when  
i'm in your arms

They say your something i should do without  
they don't know what goes on when the lights go out  
there's no way to explain  
all the pleasure is worth all the pain

(Chorus)

I should try to run  
but i just can't seem to  
'cause everytime i run your the one i've run to  
i can't do without what you do to me  
i don't care if i'm in to deep (yeah...)

I know all about  
about your reputation

and now it's bound to be a heartbreak situation  
but i can't help it if im helpless everytime that i'm where  
you are

(Bridge)

(Chorus)
