Know all about
About your reputation
And how it's bound to be a heartbreak situation
But I can't help it if I'm helpless
Everytime that I'm with you I
You walk in and my strength walks out the door
Say my name and I can't fight it anymore
Oh I know, I should go
But I need your touch just too damn much
Loving you isn't really something I should do
Shouldn't wanna spend my time with you
I should try to be strong
But baby you're the right kind of wrong
Yeah baby you're the right kind of wrong
Might be a mistake
A mistake I'm making
But what you're giving I am happy to be taking
Cause no one's ever made me feel
The way I feel when I'm in your arms
They say you're something I should do without
They don't know what goes on
When the lights go out
There's no way to explain
All the pleasure is worth all the pain
Loving you isn't really something I should do, yeah
Shouldn't wanna spend my time with you
I should try to be strong
But baby you're the right kind of wrong
Yeah baby you're the right kind of wrong
I should try to run
But I just can't seem to
Cause everytime I run you're the one I run to
Can't do without, what you do to me
I don't care if I'm in too deep, yeah
Know all about
yeah, About your reputation
And how its' bound to be a heartbreak situation
But I can't help it if I'm helpless
Everytime that I'm with you I
You walk in and my strength walks out the door
Say my name and I can't fight it anymore

Oh I know I should go
But I need your touch just too damn much, hey yeah
Loving you isn't really something I should do (not
something I should do)
Shouldn't wanna spend my time with you
I should try to be strong (yeah try to be strong)
But baby you're the right kind of wrong (right kind of
wrong)
Yeah baby you're the right kind of wrong
baby you're the right kind of wrong
baby you're the right kind of wrong
