Under the lover-sky, gonna be with you  
And no one's gonna be around  
If you think that you won't fall  
Well, just wait until, 'til the sun goes down

Underneath the starlight, starlight  
There's a magical feeling so right  
It will steal your heart tonight

You can try to resist, try to hide from my kiss  
But you know, but you know that you can't fight the  
moonlight  
Deep in the dark, you'll surrender your heart  
But you know, but you know that you can't fight the  
moonlight  
No, you can't fight it, it's gonna get to your heart

There's no escaping love  
Once a gentle breeze weaves a spell upon your heart  
No matter what you think  
It won't be too long 'til you're in my arms

Underneath the starlight, starlight  
We'll be lost in the rhythm so right  
Feel it steal your heart tonight

You can try to resist, try to hide from my kiss  
But you know, but you know that you can't fight the  
moonlight  
Deep in the dark, you'll surrender your heart  
But you know, but you know that you can't fight the  
moonlight  
No, you can't fight it, it's gonna get to your heart

No matter what you do  
The night is gonna get to you  
(You're gonna know that I know)  
Don't try, you're never gonna win, oh

Underneath the starlight, starlight  
There's a magical feeling, so right  
It'll steal your heart tonight

You can try to resist, try to hide from my kiss  
But you know, but you know that you can't fight the  
moonlight  
Deep in the dark, you'll surrender your heart  
But you know, but you know that you can't fight the  
moonlight  
No, you can't fight it

You can try to resist, try to hide from my kiss  
But you know, but you know that you can't fight the  
moonlight  
Deep in the dark, you'll surrender your heart  
But you know, but you know that you can't fight the  
moonlight  
No, you can't fight it, it's gonna get to your heart
