I love my baby and my baby loves me
I love my baby and my baby loves me
I love my baby and my baby loves me
I love my baby and my baby loves me

I love my girl
I love her faithfully
I love my girl
She's everything to me

I love my girl
For her simplicity
I love my girl
And my baby loves me

I want my girl
To love me every night
I want my girl
Because she treats me right

I want my girl
To never leave my sight
I want my girl
And my baby wants me

Oh, I know I'll never find
Another girl of her kind
Who loves so faithfully

Now I know the reason why
That I'm such a lucky guy
Because my baby, baby
Baby loves me

I want my girl
To share her love with me
I want my girl
To always care for me

I want my girl
To someday marry me
'Cause I love my girl

And my baby loves me

Oh, I know I'll never find
Another girl of her kind
Who loves so faithfully

Now I know the reason why
That I'm such a lucky guy
Because my baby, baby
Baby loves me

I want my girl
To share her love with me
I want my girl
To always care for me

I want my girl
To someday marry me
'Cause I love my girl
And my baby loves me

I love my baby and my baby loves me
I love my baby and my baby loves me
I love my baby and my baby loves me
I love my baby and my baby loves me
