Verse I

Looking for answers, you need a way out
You've been trapped in that trial full of sorrow and
doubt
You saw a trickle of sunlight but you found no escape
Just hold on to his promises, he said he'd make a way

Chorus

He'll make a way in the middle of nowhere
When it seems no one really cares he is there by your
side
He'll make a way when you feel Satan close in
He'll make a way right on time

Verse II

Standing at the Red Sea, no place to go
Pharaoh's army was closing in, they'd soon overthrow
But right out of nowhere came a might strong hand
He rolled back the water, he made a way out again
