"Please Forgive Me"

Visit "[Please Forgive Me](#)" on MotoLyrics.com

My sleep is gone, my heart is full of sorrow
I can't believe how much i've let you down
I dread the pain that waits for me tomorrow
When the sun reveals my broken dreams scattered on
the ground

Chorus:
Please forgive me
I need your grace to make it through
All i have is you, i'm at your mercy
Lord, i'll serve you
Until my dying day
Help others find the way
At your mercy, please forgive me

I can't believe the god of earth and glory
Would take the time to care for one like me
But i read in the bible that old story
How he plead for my forgiveness while he was dying
on a tree

Repeat chorus 2x
