People said I'd never make it  
They said I'd never see it through  
But they don't know what keeps me going  
I guess they never have met you  
My life was in shambles  
Until the day you came along  
You turned my tears into laughter  
Lord you gave me a brand new song

#### CHORUS

I'm still holding on  
Lord I'll never let you go  
You gave me a smile  
You touched my heart you touched my soul  
And the bridges that's behind me  
Lord I burn them to the ground  
I'm still holding on  
To the best thing I ever found

Voted likely not to prosper  
Was left hanging 'ore my head  
You'll never count for nothing  
That's what most people said  
I've been known to be unsettled  
I never stayed around too long  
But Lord you're the treasure I've been searching for  
And Lord I'm still holding on
