A night on the town with you  
We'll start with dinner here  
It's tacos for two  
A little candlelight  
And a lot of cheer  
I'll help you clean this mess up  
Then we're out of here  
Gee, you look swell  
And I like your cologne  
And it's such a nice night  
I'm glad we're alone  
How 'bout a movie,  
A drink or a dance  
My money's kinda low,  
But I'm high on romance

Chorus

And I knew you'd be the kind of girl  
I'd love to spend my time with  
From the minute that we met  
I think we knew  
That nothing could be better than  
The time we spend together  
And as long as it's forever,  
There'll be plenty to do

Let's catch a subway  
Get off at Times Square  
We'll stop by Sardi's,  
The stars all eat there  
And if we see some  
They'll see us too  
And if we don't, let's just say we did  
Who'll know it's not true?

Chorus

Oh I'd love to take you dancing  
At the Copa or Regine's  
Or maybe spend an evening at the Ritz

But the work's been kinda lousy  
And I don't have a tie  
So let's just keep romancin'  
While the night flies by

What do you say now  
Shall we head on back  
Or just keep strollin  
And stop for a snack  
We can dunk some donuts  
Or catch the late show  
'Cause it's our night on the town  
Gee, how quickly it goes

Chorus
