I'm tired of you satan. you've messed with me too long  
You tried to ruin my life and steal my song  
But I serve notice on you, you don't have a chance  
For I'm covered by the precious blood of the Holy Lamb

Chorus:

I'm a blood bought, bona-fide Child of The King,  
He wrapped me in his living arms and made me royalty  
No matter what may come my way, you can't hold me  
down  
I'll be shouting "Hallelujah" while I'm dancing on solid  
ground

One day the time will come when every knee shall bow  
and every saint of God will leave the ground  
You'll be thrown into the pit of fire never to return  
Sometime sooner than you think, this lesson you will  
learn

Chorus:

I'm a blood bought, bona-fide Child of The King,  
He wrapped me in his living arms and made me royalty  
No matter what may come my way, you can't hold me  
down  
I'll be shouting "Hallelujah" while I'm dancing on solid  
ground

I'm taking back my joy  
I'm taking back my peace  
I'm taking back all the things the devil stole from me.

Chorus:

I'm a blood bought, bona-fide Child of The King,  
He wrapped me in his living arms and made me royalty  
No matter what may come my way, you can't hold me  
down  
I'll be shouting "Hallelujah" while I'm dancing on solid  
ground
