Diners and discos
Action every night
Where do the time go
Slowly, slowly out of sight
There's a tear in my brain
And it's startin' to rain
And I don't know what to do
Give my soul to the man
My love to the clan
Or give myself to you
That's what I'll do
Yesterday's heroes
Shrinking back to size
Never went nowhere
Sadness, sadness fills their eyes
There's a tear in my brain
And it's startin' to rain
And I don't know what to do
Give my soul to the man
My love to the clan
Or give myself to you
That's what I'll do

You've been runnin' scared
From the chance that was there for you
Changing's very hard
With your house and your yard
Well it's harder than hard

Too many players
Sittin' out their lives
Staring not caring
Who fails, who sails, who survives
There's a tear in my brain
And it's startin' to rain
And I don't know what to do
Give my soul to the man
My love to the clan
Or give myself to you
That's what I'll do
I wanna give myself to you

Give myself to you
That's what I'll do
