"His Grace"

I've walked through some places, where I did not
belong.
I've been through some valleys where I almost lost my
song.
I stood in an unholy place.
But through my triumph or failures, I couldn't get away
from His grace.

Chorus:

His love is amazing, He won't let me go.
Unmerited favor, He loves me so.
When I falter and fail and feel like giving in,
He says lay your burden on me, I'll bear it again.
The only thing I know to say is,
I can't get enough of His grace

Bridge:

His grace is still amazing after all this time.
Still nothing separates us from His passion so divine.
Neither life, death, nor angels, or principalities
Could ever come between the love that Jesus has for
me
