### "Hold On"

Well, I was talking to a mirror image of what  
supposedly was to be me; and  
The eyes and the nose and the insignificant clothes  
supported the testimony. He said, "You're doing fine,  
you know.  
You've got an okay mind, you know.  
And I would hate to see you throw it away.  
You'd better hold on.  
Hold on. Hold on."  
I was telling him I was a bit fatigued about my life, both  
present and past;  
And when I recalled my thoughts of ending it all with an  
overdose of gas, He said, "You're doing fine, you  
know.  
You've got an okay mind, you know.  
And I would hate to see you throw it away.  
You'd better hold on.  
Hold on. Hold on."

Hold on  
Hold on  
Hold on
