Where can I turn when there's no one else to turn to
Who am I gonna talk to when no one wants to listen
Who do I lean on when there's no foundation stable
I go to the Rock I know that's able
I go to the Rock

CHORUS:

I go to the Rock of my Salvation
I go to the Stone that the builders rejected
I run to the mountain and the mountain stands by me
When the earth all around me is sinking sand
On Christ, the solid rock I stand
When I need a shelter, When I need a friend,
I go to the Rock

Where do I hide till the storms have all passed over
Where am I gonna run to when the winds of sorrow
threaten
Is there a refuge in those times of great tribulation
when my soul needs a consolation
I go to the Rock

CHORUS

(I go to the Rock) when I need a friend
(I go to the Rock) when I need some joy
(I go to the Rock) when my body needs healin'
