Thanx to Anna Welch, I love Josh Lightner forever

Verse 1:

I noticed you staring as I raised my hands in praise.
There must be some questions in your mind I have
raised.
But, I'll try to help you with your understanding.
When you learn of this man Jesus, you will be amazed

Chorus:

If you only knew, All I've been through
Then, you would understand why I love him so.
If you could only see, Just where he found me.
If you'd been there when he found me, then you would
know.

Verse 2:

I was the lost one that had drifted far away.
I walked away from God abusing His grace.
Then I slipped and stumbled beneath my
transgressions.
I called out for His help and mercey, Now today I am
saved.
