I know that I'm unworthy to call upon your name
All my life I've been a sinner and for that I am ashamed
But I heard that you would listen so I'm giving you my
plea
I'm too unworthy Lord to come to you, could you please
come down to me?

*I know that there are others who can offer more than I
I promise you I'd understand if for me you had no time
I think I've just hit bottom and I'm looking up to see
I'm too unworthy, Lord, to come to you could you
please come down to me?

I guess I must be reaping from the seeds that I have
sown
and Lord you owe me nothing, we haven't spoken for
so long
But if you could spare some mercy Lord I'd pledge my
life to thee
I'm too unworthy Lord to come to you, could you
please come down to me?

*Chorus

I think I just hit bottom
and I'm looking up to see
I'm too unworthy Lord to come to you
Could you please come down, come down to me?
