Who taught the sun where to stand in the morning?  
and Who told the ocean you can only come this far?  
and Who showed the moon where to hide 'til evening?  
Whose words alone can catch a falling star?

Chorus:

I know my Redeemer lives  
I know my Redeemer lives:  
Let all creations testify  
Let this, life within me cry  
I know my Redeemer lives

The very same God that spins things in orbit  
runs to the weary, the worn and the weak  
And the same gentle hands that hold me when I'm  
broken  
They conquered death to bring me victory

Chorus

He lives to take away my shame  
And He lives forever, I'll proclaim  
That the payment for my sin  
Was the precious life He gave  
But now He's alive and there's an empty grave

Chorus

I know He lives  
I walk with him  
I talked with him this morning  
The grave is empty  
I Know, I know my Redeemer  
My Redeemer my Redeemer  
My Redeemer lives
