(1st Verse)

I'm glad you're here, so long we've waited for, this Day,
the Lord has made
Some of you are tired and some are weary from
traveling a long, long way.
You might have plans that you're gonna just rest as you
listen to us sing and play.
But I hope some one will join us with a Sacrifice of
praise.

(Chorus)

Somebody praise him with a loud voice (Praise him)
Somebody praise him in the band, (music 1 2)
Somebody praise him cause he is good,
Somebody clap your hands (Hand clap)
Somebody praise him for his mercy,
Somebody praise him for his grace.
Somebody stand to your feet, give a sacrifice of praise.

(2nd Verse)

Two men were cast in a prison cell cause they
preached in Jesus name.
They were beat with whips and to the wall, their Hands
and feet were chained.
At the midnight hour when all was calm, the jailor lay
fast asleep.
Deliverance fell when the sacrifice of praise set those
men free.
