People said I'd never make it
They said I'd never see it through
But they don't know what keeps me going
I guess they never have met you
My life was in shambles
Until the day you came along
You turned my tears into laughter
Lord you gave me a brand new song

CHORUS

I'm still holding on
Lord I'll never let you go
You gave me a smile
You touched my heart you touched my soul
And the bridges that's behind me
Lord I burn them to the ground
I'm still holding on
To the best thing I ever found

Voted likely not to prosper
Was left hanging 'ore my head
You'll never count for nothing
That's what most people said
I've been known to be unsettled
I never stayed around too long
But Lord you're the treasure I've been searching for
And Lord I'm still holding on
