"Two Coats"

Visit "[Two Coats](#)" on MotoLyrics.com

Two coats were before me, the old and the new
I asked my sweet Master, what must I do
The first coat was ugly, so tattered and torn
The other a new coat, had never been worn

Chorus:

I tell you the best thing I ever did do
I took off the old coat and put on the new
I tell you the best thing I ever did do
I took off the old coat and put on the new

The first man was earthly, and raised from the ground
We bore on his image, the whole world around
The next was my Savior from Heaven so fair
He gave me this new coat you now see me wear

Now this coat, it suits me, it keeps me so warm
It's good in the winter and it's good in the storm
My Savior has blessed me with a garment so rare
He gave me this new coat you now see me wear

Chorus
