( paul buchanan )

Where the cars go by,  
All the day and night,  
Why don't you say,  
What's so wrong tonight?  
Pray for me,  
Praying for the light,  
Baby baby,  
Lets go out tonight.  
Where the lights all shine,  
Like I knew they would,  
Be mine all mine,  
Baby I'll be good.  
Pray for me,  
Praying for the light,  
Baby baby,  
Lets go out tonight.  
I know a place,  
Where everythings alright,  
Alright,  
Lets go out tonight.  
Where the cars go by,  
All the day and night,  
Why don't you say,  
What's so wrong tonight.  
I pray for love,  
Coming out alright, yeah,  
Oh baby baby,  
Lets go out tonight, yeah.  
Baby baby,  
Lets go out tonight,  
Lets go out tonight.  
Tonight,  
Tonight,  
Lets go out tonight,  
Yeah,  
Where the cars go by,  
Where the lights wont shine,  
...,  
Tonight.
