you know what, what, what
got something to say, yer
its craig david, 7 days so check it out
well

On my way to see my friends
who lived a couple blocks away from me (owh)
As I walked through the subway
it must have been about quarter past three
In front of me
stood a beautiful honey, with a beautiful body
She asked me for the time
I said it'd cost her name
a six digit number and a date with me tomorrow at nine

Did she decline? No
Didn't she mind? I don't think so
Was it for real? Damn sure
What was the deal? A pretty girl aged 24
So was she keen? She couldn't wait
Cinnamon queen? let me update
What did she say? She said she'd love to
rendez-vous
She asked me what we were gonna do
said we'd start with a bottle of moët for two

(Chorus)

Monday
took her for a drink on Tuesday
we were making love by Wednesday
and on Thursday & Friday & Saturday we chilled on
Sunday
I met this girl on Monday
took her for a drink and come Tuesday
we were making love by Wednesday
and on Thursday & Friday & Saturday we chilled on
Sunday

(Verse 2)

Nine was the time
cos I'll be getting mine
and she was looking fine
Smooth talker
she told me
She'd love to unfold me all night long
Ooh I loved the way she kicked it
from the front to back she flipped it (oh yer, lady)
And I, oh ,oh I yeah
hope that she'd care
cos I'm a man who'll always be there
Ooh yeah
I'm not a man to play around with yer
Ooh yeah
cos a one night stand isn't really fair
From the first impression girl
you don't seem to be like that
Cos there's no need to chat for there'll be plenty time
for that
From the subway to my home
endless ringing of my phone
When your feeling all alone
all you gotta do lady
is just call me call me

(Chorus)

Monday
took her for a drink on Tuesday
we were making love by Wednesday
and on Thursday & Friday & Saturday we chilled on
Sunday
I met this girl on Monday
took her for a drink and come Tuesday
we were making love by Wednesday
and on Thursday & Friday & Saturday we chilled on
Sunday

(Break it down, yer break it down yer)
Since I met this special lady
ooh yeah
I can't get her off my mind
She's one of a kind (oh yer)
And I ain't about to deny it
It's a special kind of thing
with you-oh.....

took her for a drink and come Tuesday
we were making love by Wednesday
and on Thursday & Friday & Saturday we chilled on
Sunday

I met this girl on Monday
took her for a drink on Tuesday
we were making love by Wednesday
and on Thursday & Friday & Saturday we chilled on,
check it out

(MC)

I got the style, the technique,
Uh, just to make your knees weak,
some of them a call me Super-doopaa freak
as you b-b-bounce
Wanna check me every day of the week,
who me?
Yeah hell me, C.R.A.I.G
99.9% safety
Johnny 5 used before entry
No short circuit leading to baby,
Follow me, the one and only,
Kick back and rock my CD,
Base line set out the frequency
To m-m-make you m-m-m-move your body.
Ooh fill up the venue,
Remember me from what ya gonna do
B-b-b-b-break it down b-brand new
Just give my the microphone to hold on to
So I then, tried to get the crowd high,
Bounce to the left,
Bounce to the right,
Got to keep my flow tight
Designed to make you dance all night,
uh, from the left from the right
designed to make you dance all night Uh from the left
to the right, designed to make you dance all night
Craig David gonna make ya feel right
Craig David gonna make you fell right
