Catch me in apartment 543
Dial my number if you wanna just talk to me (2x)
(Oh, Oh, Oooh, Yeeah)
Girl, when you call me on the phone
Said you're all alone
I said that you could drive by my way
You said that I was the only one
Found the time had come
For us to keep it real
Oh yeah

Catch me in apartment 543
Dial my number if you wanna just talk to me
999 in an emergency
I'll be everything you need
Satisfaction guaranteed

Simply you dont have to go nowhere
Baby, you can just stay right here
You know anything
Theres no need to fear
I'm promising my dear
Oh Yeah

Catch me in apartment 543
Dial my number if you wanna just talk to me
999 in an emergency
I'll be everything you need
Satisfaction guranteed

Oh
Ooh
Theres many things I've said
Theres many things I've done
Found the time had come
For us to keep it real
Oh yeah
And lady, I aint gonna front
It aint my way
And all I've got to say

All you gotta do Baby!

Catch me in apartment 543
Dial my number if you wanna just talk to me
999 in an emergency

Catch me in apartment 543
Dial my number if you wanna just talk talk talk
999 in an emergency
I'll be everything you need
Satisfaction guranteed
