[Intro]

Yeah
Come on
Come on
It's another one
Yeah, huh, come on
Uh what, come on
Yeah, uh, check it out
Uh, check it, uh

[Verse 1]

Been sayin' lately its a waste of time
You got your problems babe and I got mine
I know right now we don't see eye to eye
You got your problems but until we try

Don't give it up, don't mess it up
Don't play with our love (oh baby)
Don't rip it up, (girl) don't tear it up
Don't play with our love (girl)

[Chorus]

Girl trust me (come on)
Girl trust me
Girl trust me
All you gotta do is

Girl trust me (come on)
Girl trust me
Girl trust me
All you gotta do is

[Verse 2]

I know baby you want peace of mind
You got your problems babe and I got mine
Ride up can see in clear been actin' blind
You got your problems but until we try

Don't give it up, don't mess it up
Don't play with our love (oh baby)
Don't rip it up, (girl) don't tear it up
Don't play with our love (girl)

[Chorus]

Girl trust me (come on)
Girl trust me (come on)
Girl trust me
All you gotta do is

Girl trust me (come on)
Girl trust me (come on)
Girl trust me

[Bridge]

I know that we've been hurting girl that's true
But maybe we could talk the whole thing through

It's times like this I know we've got to prove
Baby girl I'm so in love with you (girl)

Huh, come on, come on, come on,
Huh, check it, huh, yeah, come on
Uh uh uh, come on, yeah, uh
Huh, check it, it's another one

[Rap]

I know we both need the release
But it's ludicrous to think we'll start disturbing the
peace
Hands on blinds, nosey neighbours peeping through
the crease
Easy next thing they be callin' police
And that ain't what we need
So I suggest we just chill
Pack our bags and take a flight to Brazil
I think that'll be ideal
And you know we can do whatever we feel
'Cos I don't wanna lose you for real (ohhh), so girl

[Chorus]

Girl trust me (trust me)
Girl trust me (oh baby)
Girl trust me (yeah)
All you gotta do is

Girl trust me (oh)
Girl trust me
Girl trust me
All you gotta do is

Girl trust me (oh baby)
Girl trust me (ooh baby)
Girl trust me (oh)

All you gotta do is

Girl trust me (hey baby)
Girl trust me (hey girlfriend)
Girl trust me (ohh)
All you gotta do is

Girl trust me (yeah, huh)
Girl trust me (come on girl)
Girl trust me (come on girl)
All you gotta do is

Girl trust me
Girl trust me
Girl trust me
All you gotta do is
