Yeeeeeeeeey ah ah know that.  
I said i'm feeling it, i'm feeling it, i'm feeling it yeahh  
I know that you like the way that I put it down on  
youuuu,  
You know what yeah...

We were meant to be together for eternity but now your  
gone  
It's plain to see I was living just a fantasyyy  
So many things I like to do, if ever I found a love as  
truee  
Finding it hard to push on through  
Since I've been away from youuu

When I, first met you, you were standing up by the bus  
stopppp  
I knew you were something special  
Weak in my knees I wanted to drop Yeah-e-Yeah  
So we checked each other  
What we had going on was so hot, Yeah  
I never thought you'd leave me no  
Well you know what

We were meant to be together for eternity but now your  
gone  
It's plain to see I was living just a fantasyyy (Living just  
a fantasy living just a fantasyy)  
So many things I like to do, if ever I found a love as  
truee (Someone like you)  
Finding it hard to push on through  
Since i've been away from youuu

Now I can't seem to get over you appering in  
everything that I do  
It was only, Last week Friday when I saw you out with  
your girlfriends walkig round my way  
Yeah-e-Yeah  
I feel when all's said & done, From this love I've had  
I've learned a lot  
Yeah  
I never thought you'd leave me, no, but you know what  
(Hey hey hey)

We were meant to be together for eternity but now your  
gone  
It's plain to see I was living just a fantasyyyy  
So many things I like to do, if ever I found a love as  
truee  
Finding it hard to push on through  
Since i've been away from youuu

The flow that we had was so hot (Well thats right, thats  
right)  
Girl, you took me higherrr to the top (Straight to the  
top, straight to the top Lady)  
We kept it rolling, wouldn't stop (You kept it rolling)  
You knew I wouldn't stop  
You said you wouldn't leave me you said you wouldn't  
bay-bee  
Wel you know whattttttttt

We were meant to be together for eternity (oOo Yeah)  
but now your gone  
It's plain to see I was living just a fantasyyyy (Plain to  
see that I was living just a fantasy living just a fantasy,  
Ohh Yeah)  
So many things I like to do, if ever I found a love as  
truee (Found some-one like you)  
Finding it hard to push on through (So hard)  
Since i've been away from youuu (So hard, since i've  
been away from you)

You don't know what I've been going through  
But I know that  
You don't know what  
I said i'm feeling it, i'm feeling it, i'm feeling it yeahh  
(x2)
