Say we do it again,

Do it again, come on  
Craig david  
Ooh yeah  
Come on baby

Chorus

Fill me in(well alright)  
Let me know what's up baby  
Can you fill me in?(can you fill me in?)  
Let me know what's up(lemme know what's up)  
(x2)

Late last night you were chilling with your friends baby  
Driving all the god damn guys crazy yeah  
You said now would you like  
To take me for a ride honey  
I said that would be just fine for me, for me yeah  
You come around and you were willing to drive  
But it wasn't enough i guess you wanted me to come  
your way  
You wanna ride & then tell me you wanna stay  
No way ain't messing with the games you play

Chorus

So tonight we're gonna hit the club baby  
Get up get your groove on party tonight ooh yeah  
So don't you worry i'll be all over your body  
Like chocolate over a turkish delight lady  
Said you wanted to dance but then you wouldn't dance  
But you wanted to play so slow it down mr. dj  
I guess the reason why you always seem to get your  
way  
Is down to the games you play

Chorus

Girl when i'm rubbing you down  
And you're making those sounds

Ooh girl you know i like it, like it yeah  
You make me feel so aroused  
Hold it down in a crowd  
Though i like the way you put it on me

Chorus
