(All right)  
(Come on)  
(Can you fill me in)

I was checking this girl next door  
When her parents went out  
She phoned said hey boy, come on right around  
So I knock at the door  
You was standing with a bottle of red wine  
Ready to pour  
Dressed in long black Satin and Lace to the floor

So I went in  
Then we sat down start kissing  
Caressing  
Told me about Ja'causezi  
Sounded interesting  
So we jumped right in  
All calls diverted to answerphone  
Please leave a message after the tone

You know me and her  
Her Parents were kinda cool  
But they ran a fine line between me and you  
We were just doing things young people in love do  
Parents trying to find out what we were up to

Saying why were you creeping round late last night  
Why did I see two shadows moving in your bedroom  
light  
Now you're dressed in black  
When I left you were dressed in white  
Can you fill me in  
Calls diverted to answerphone  
Red wine bottle half the contents gone  
Midnight return Ja'causezi turned on  
Can you fill me in

Whenever the coast was clear and she'd ask me to  
come out  
I'd say hey girl, come on right around  
So she knocked at the door

I was standing with the keys in my hand to the 4 by 4  
Jumped in my ride  
Checkin' in where nobody saw

The club we went in  
We got down bounced bounced to the rhythm  
Saw it was early morning  
Thought we'd better be leaving

So I gave you my jacket for you to hold  
Told you to wear it coz you felt cold

I'm not being mean  
I didn't mean to break the rules  
I weren't trying to play your Mum and Dad for fools  
We were just doing things young people in love do  
Parents trying to find out what we were up to

Saying why can't you keep your promises no more  
Say you'll be home by 12 come strolling in at 4  
Out went the girls but leaving with the boy next door  
Can you fill me in  
Wearing a jacket who's property  
Said you'd been queuing for a Taxi  
But you left all your money on the TV  
Can you fill me in

(Can you fill me in)

All they seem to do  
Is be checking up on you  
Baby

(Craig David)

Watching our every move  
Think some day they might approve  
Baby

Why were you creeping round late last night  
Why did I see two shadows moving in your bedroom  
light  
Now you're dressed in black  
When I left you were dressed in white  
Can you fill me in

(Can you fill me in)

Calls diverted to answerphone  
Red wine bottle half the contents gone  
Midnight return Ja'causezi turned on

Can you fill me in

(Can you fill me in)...
