Everytime I close my eyes, I wake up feelin so horny
Can't get you out of my mind, sexing you is all I need
I would do anything, to make you understand me
I don't give a damn about a thing, freek'n you is all I
see

(Tonight, I need your body) I need your body
(Tonight, you've got my time) Girl whatever you want, I
would do it
(Tonight, you won't be sorry) You, oh-ohhhhh
(Tonight, you've got my mind) Ohhh, ohhh, yeahh,
yeahh, shit

(What must I say?)
What must I do? (What must I do?)
Help me... (To show how much)
Yeahhhhhh (I think about freek'n you)

I could go on for days, I couldn't go for weeks
I could even play with another body but it wouldn't last
cuz I'm a freak
Ahhhhhh, everything you say, just adore everything
you do
And now you want to close my eyes, all I want to freak
is you

(Tonight, I need your body) I need your body
(Tonight, you've got my time) Girl whatever you want, I
would do it
(Tonight, you won't be sorry) You, oh-ohhhhh
(Tonight, you've got my mind) Ohhh, ohhh, yeahh,
yeahh, shit

What must I say?
What must I do?
To show how much
I think about freek'n you
