Intro

Say we do it again do it again come on
Craig David ooh yeah
Come on baby

Chorus

Fill me in
Let me know what's up baby
Can you fill me in?
Let me know what's up (2x)

Late last night you were chilling with you friends baby
Driving all the god damn guys crazy hey
You said now would you like
To take me for a ride honey
I said that would be just fine for me for me yeah
You come around and you were willing to drive
But it wasn't enough I guess you wanted me to come
you way
You wanna ride
