

## Craig David "Hands Up In The Air"

Visit "[Hands Up In The Air](#)" on MotoLyrics.com

Ou baby..It's all about a party  
You really wanna, really wanna, get down tonight,  
down tonight..  
Come on baby  
Lemme see those hands up in the air  
Lemme see you bounce tonight...

Tonight it's all about a party  
Dressin up to try and impress somebody  
Hoping to find your self a fly shorty  
And somebody oh so beautiful so right  
If you're still feeling unsure,  
then make your up on the dance floor  
You should be shaking what you got  
That's what you came for--  
So shut the back door  
Cuz no one's tripping  
Just keep playing that song

Let me see those hands up in the air  
All my fellas bouncing in the club let me hear you say  
yah--  
No oh no, it's nothing new  
To raise the roof with your crew  
But you can bring it down if you want to  
Let me see those hands up in the air  
All my ladies shaking what you got let me hear you say  
yah  
If you wanna jump around  
Believe in love it's time to get down,  
moving to the groove I know it feels good to you...

You're gonna see a  
Hot girl.. A rock girl, looking kinda fly  
And she knows it very well..  
The kind you'd be calling on your cell.  
Falling underneath the spell  
So addicted baby-- can't you tell?  
You need a hot boy  
Top boy  
Looking kinda fly..  
One that makes you feel weak at the knees

Now if it's for real then just let it show  
While the beat moves your body, mind and soul...

Let me see those hands up in the air  
All my fellas bouncing in the club let me hear you say  
yah--  
No oh no, it's nothing new  
To raise the roof with your crew  
But you can bring it down if you want to  
Let me see those hands up in the air  
All my ladies shaking what you got let me hear you say  
yah  
If you wanna jump around  
Believe in love it's time to get down,  
moving to the groove I know it feels good to you:

Now baby I gotta just break it on down...  
This one goes out to all my fellas---all my ladies oh yah  
Now I know it's kinda easy to raise the roof with your  
crew  
But I know it ain't that easy to bring the whole thing  
down...

Let me see those hands up in the air  
All my fellas bouncing in the club let me hear you say  
yah--  
No oh no, it's nothing new  
To raise the roof with your crew  
But you can bring it down if you want to  
Let me see those hands up in the air  
All my ladies shaking what you got let me hear you say  
yah  
If you wanna jump around  
Believe in love it's time to get down,  
moving to the groove I know it feels good to you...
