Ah
What cha doing
Really
You know I'm coming over right
(now baby tell what you wanna do with me)
Now you got it hot for me already baby
Okay
I'll be there in about uh, give me ten minutes
Be ready
Ah
Wear that little thing I like

Verse 1:

(Now baby tell what you wanna do with me)
It's seven o'clock
On the dot
I'm in my drop top
Cruisin' the streets - Oh yeah
I gotta real pretty, pretty little thang that's waiting for
me
I pull up
Anticipating good love
Don' keep me wating
I got plans to put my hands in places
I never seen girl you know what I mean

Chorus:

Let me take you to a place nice and quiet
There ain't no one there to interrupt
Ain't gotta rush
I just wanna take it nice and slow
(now baby tell me what you wanna do with me)
See I've been waiting for this for so long
We'll be makin' love until the sun comes up
Lady
I just wanna take it nice and slow
(now baby tell me what you wanna do with me)

Verse 2:

Now here we are
Drivin' round town
Contemplating where I'm gonna lay you down

Girl you got me sayin'
My, my, my - My
I wish that I - I
Could pull over
And get this thing started right now
I wanna do something freaky to you lady
I don't think they heard me
I, I wanna do something freaky to you lady
So call out my name

Hook:

They call me US-HER-RA-YM-OND
Now baby tell me what you wanna do with me
Gotta nigga feelin' like Jodeci
Every time that you roll with me, holdin' me
Tryin' to get control of me
Nice and slowly
You know
Never lettin' go
Never messin' up the flow
This is how the hook goes

Chorus: Let me take you to a place nice and quiet
There ain't no one there to interrupt
Ain't gotta rush
I just wanna take it nice and slow
(now baby tell me what you wanna do with me)
See I've been waiting for this for so long
We'll be makin' love until the sun comes up
Lady
I just wanna take it nice and slow
(now baby tell me what you wanna do with me)
Now here we are

Verse 3:

So tell me
Do you wanna get freaky
Cause I'll freak you right I will
I'll freak you right I will
I'll freak you like no one has ever, ever made
You feel
I'll freak you right I will
I'll freak you right I will
I'll freak you, freak you like no one has ever, ever made
you feel -
Yeah
(now baby tell me what you wanna do with me)
