(Intro)

Guru:

I, I, I'm only young you know,  
calm down man, can we talk like civilised people?  
I can't take this no more

(Chorus)

Craig David:

I don't love you no more  
Im gonna show myself to the door  
I don't love you,  
cos I don't love you no more (cos I don't love you no  
more) x2

(Verse 1)

Guru:

I'm out the door; I can't take it no more,  
things have really changed  
It's not like before,  
I mean the vibes between us,  
Now our days are quite shaken  
And lately, I aint been feeling you baby,  
some how you let my head just wonder  
And now I'm fond of someone else,  
whos taking me, for me,  
and that's what I long for  
About our current arrangement,  
I aint sure cos I don't think I love you no more  
I know I had a major effect on you, I know  
But still you be showing disrespect to me,  
so I gotta go  
you're never gonna see it how I do,  
and I don't like your attitude and I don't like being lied  
to  
I'm not a toy, you can't push my buttons  
We tried to make it work still we come up with nothing,  
so now my cases stand we fight like we at war,  
and I don't think I love you no more

(Chorus)

Craig David:

I don't love you no more (no more)

Im gonna show myself to the door  
I don't love you (love you)  
cos I don't love you no more (cos I don't love you no  
more) x2

Girlfirend I'm walking through the door,  
aint gonna see me no more,  
All you seem to do is bawl,  
Baby I wont be back at 4  
sweet girl I can take your raise,  
walk you away from all these bad days  
I know there aint no easy way,  
but there's nothing you can say to change my mind

(Verse 2)

Guru:

I wish I didn't feel this way,  
wish I was kidding  
but another girl as stepped on the scene to put her bid  
in  
Never would have looked in another direction,  
but you gotta strange way of showing love and  
affection  
So I told myself that I deserve better,  
you only came my way cos you heard I had cheddar  
And now you seem to me to be so immature,  
and now I don't think I love you no more  
And plus I know about the stuff you told you're crew  
when we met,  
I gotta go somewhere so please let me jet  
So you forget about my generous ways and my good  
heart,  
you never wanna admit you're wrong but you should  
start  
Lets put our differences away and this peacefully,  
we haven't been getting along at all recently  
Ive been thinking bout this since I came home from  
tour,  
and I'm sure that I don't love you no more

Craig David:

Girl I gotta explain that I aint really feeling you no  
more,  
Everything, you keep searching around since I came  
off tour  
So tell me why do I have to explain myself baby,  
cos girl you got to admit that there's nothing more for  
me to say  
oh yey

(Chorus)

I don't love you no more (no more)  
im gonna show myself to the door  
I don't love you, (love you)  
cos I don't love you no more (cos I don't love you no  
more) x3
