this is how we do (this is how we do)
yeah well come on check it out
(watcha doing cos we'll be rendevousing &
you know we'll getting some getting jiggy just for
fun)(4x)

six o'clock in the morning wipe the sleep from my
eyes(yeah)
felt just like an ordinary day
just around the corner, such a surprise, a beautiful
angel materialised
time stood still, face to face
I'm sure we'd met in another time and place(met in
another time and place)

our eyes met as you passed me by (passed me by)
two souls entwined in the blink of an eye(yeah)
and I had to figure out what I'd be missing
so I turned to you and asked you if you wanted to
(you know we'll be getting some getting jiggy just for
fun)

rendevous where to my place, say 2 & we can anything
you wanna do
hey, tonight is your night yeah
when you close your eyes, take a minute, take a
moment, realise
do you see me when you fantasise
tonight'll be your night

I'm just sitting here daydreaming about you and all the
things you do
girl feels so right
and all I know ist you're the one for me, that special
kinda'lady
in my life, in my life

well here I am writing you a lover song
holding back those years, it's been so long
and I can't deny the way I'm asking you, can we ...

chorus

darling tell me, what's on your mind? what you
thinking?
hey what you thinking? hey what you thinking?
darling tell me what's on your mind
what's on your mind yeah?
darlign what you are thinking?
now darling what are you thinking?

chorus

I'm just sitting here daydreaming about you and all the
things you do
girl feels so right
and all I know ist you're the one for me, that special
kinda'lady
in my life, in my life yeah

watcha doing cos we'll be rendevousing & you know
we'll be getting some getting jiggy just for fun(x4)
