Six o'clock in the morning wipe the sleep from my eyes
(yeah)
Felt just like an ordinary day
Just around the corner, such a surprise, a beautiful
angel materialised
Time stood still face to face
I'm sure we'd met in another time and place (met in
another time and place)

Our eyes met as you passed me by (passed me by)
Two souls entwined in the blink of an eye (yeah)
And I had to figure out what I'd be missing
So I turned to you and asked you if you wanted to
(You know we'll be getting some getting jiggy just for
fun)

Rendezvous where to my place say 2 & we can do
anything you wanna do
Hey, tonight is your night yeah
Where you close your eyes, take a minute, take a

moment realise
Do you see me when you fantasise
Tonight'll be your night

I'm just sitting here daydreaming about you and all the
things you do
Girl feels so right
And all I know is you're the one for me, that special
kinda' lady
In my life, in my life

Well here I am writing you a love song
Holding back those years, it's been so long
And I can't deny the way that I'm feeling (feeling)
It's true, so girl that's why I'm asking you, can we...

Rendezvous where to my place say 2 & we can do
anything you wanna do
Hey, tonight is your night yeah
Where you close your eyes, take a minute, take a
moment realise
Do you see me when you fantasise
Tonight'll be your night

Darling tell me, what's on your mind? what are you
thinking
Hey what you thinking?
Hey what you thinking?
Darling tell me what's on your mind?
What's on your mind yeah?
Darling what are you thinking
Now darling what are you thinking...

Rendezvous where to my place say 2 & we can do
anything you wanna do
Hey, tonight is your night yeah
Where you close your eyes, take a minute, take a
moment realise
Do you see me when you fantasise
Tonight'll be your night
