### INTRO:

I like it when the snare comes in like that  
You know?  
(Makes a drum like noise)Â...  
We do it like that,  
so bad, uh-uh, uh

As we move out to the inside,  
it goes something like thisÂ...  
Check it out

### CHORUS:

Sunshine, sunshine  
Brightens up my day  
Never go away  
Sunshine, sunshine  
Never go away

### MC:

Some men like the Stella lager,  
man like me like the Moet champer  
Champer that's straight out the cooler,  
with strawberries never after  
Down to the dance floor to get hyper,  
spell H-Y-Â...P-E to the R  
DJ can u drop the funk,  
Drop the base,  
Get me hyper

When you're around me,  
you cant do no wrong  
Everyway is the right way,  
cos your love is so strong  
And when I need you your always be there,  
to let me know you love me and how much you care

### CHORUS:

Sunshine, sunshine  
Brightens up my day  
Never go away  
Sunshine, sunshine  
Never go away
