Bubblin' from the left
Yes, we're bubblin' from the right
Craig David and Robbie Craig, bubblin' all night
Bubblin' from the left
Yes, we're bubblin' from the right
Craig David and Robbie Craig, bubblin' all night

This is how we do

I feel fantastic, bombastic,
Ecstactically astounded
How a girl can really lose her brain
I feel surrounded, confounded
Emotionally dumbfounded
To think you've nearly won your game

Oh yeah, you said that I have
Been gone too long
Don't try to tell me
That I was wrong (re-e-mix)
Totally, wrong for me
Got the hurt in my face
Now I know the only thing to do
Is to give myself some space
I bet she never told you everything that drifted through
her mind
All the secret thoughts
Well I bet you never caught her sliding with another
man
Because I did
No no, I hate to see the way the finger points at me
I'm at fault, I don't think so
After all is said and done girl
You know you've had your fun
Why don't you leave it there

I feel fantastic, bombastic,
Ecstactically astounded
How a girl can really lose her brain
I feel surrounded, confounded
Emotionally dumbfounded
To think you'd nearly won your game

I feel fantastic, bombastic,

Ecstactically astounded

How a girl can really lose her brain

I feel surrounded, confounded

Emotionally dumbfounded

To think you've nearly won your game

Oh yeah

You say you had a girl, with problems

Tell me, did it lead to heartache and confusion? (re-e-mix)

Did you wake up in tears

Not knowing where you are?

Did you, get it in the ear, like I did?

Like I did

I bet she never told you everything that drifted through her mind

All the secret thoughts

Well I bet you never caught her sliding with another man

Because I did

No no, I hate to see the way the finger points at me

I'm at fault, I don't think so

After all is said and done girl

You know you've had your fun

Why don't you leave it there

I feel fantastic, bombastic,

Ecstactically astounded

How a girl can really lose her brain

I feel surrounded, confounded

Emotionally dumbfounded

To think you'd nearly won your game

I feel fantastic, bombastic,

Ecstactically astounded

How a girl can really lose her brain

I feel surrounded, confounded

Emotionally dumbfounded

To think you've nearly won your game
