On these shores you find,
Another way to exist,
Inside this world you said,
You never wanted anyway.
Don't worry I won't let
Mistakes that I had the last time,
Keep me from making them all again.

And will you run through the sand with me,
And let the water swallow us?
I finally found what it is to be,
Outside this world you bought for us.

Stop thinking for once,
And let yourself exist
So that this ocean beside you,
Is all you know of what you had.
I finally found the truth
That set itself between us
And seeing eye to eye
Is only seeing what we've done.

And will you run through the sand with me,
And let the water swallow us?
I finally found what it is to be,
Outside this world you bought for us.
And all I want right now,
Is to scream you down,
Until you hear me,
Until you hear me, hear me

I'm begging for a fight,
Begging for a fight,
Begging for a,
Begging for a fight,
Begging for a fight.
I'm begging for a fight,
Begging for a fight,
Begging for a,
Begging for a fight,
Begging for a fight.

And will you run through the sand with me,
And let the water swallow us?
I finally found what it is to be,
Outside this world you bought for us.

And will you run through the sand with me, (I'm
begging for a fight)
And let the water swallow us? (Begging for a fight)
I finally found what it is to be, (Begging for a
Outside this world you bought for us. (Begging for a
fight)
