Well I heard you just got back from a trip to Sin City,
There's something different about the way you lookin'
just hit me
There's rumors going 'round this town
Tell me girl did it really hurt?
Were you drunk? Well that's what I heard

Did you get a butterfly, lady bug, a cross, a rose?
Or pease and love?
Devil horns, angels wings
Little symbols in Chinese
One thing that you gotta do,
Come on girl, show me your tattoo

Someone said the ink you wear, the sun can't find it
Everybody wants a peak
So baby don't hide it
I can't take it anymore
Girl look what your doing to me
You've got something I gotta see

Did you get a butterfly, lady bug, a cross, a rose?
Or pease and love?
Devil horns, angels wings
Little symbols in Chinese
One thing that you gotta do
Come on girl, show me your tattoo

Is it a butterfly, a lady bug, a cross, a rose?
Or pease and love?
Devil horns, angels wings?
Little symbols in Chinese
Come on girl, show me your tattoo

Did you get a butterfly, lady bug?
A tribal band, or peace and love?
Smokin guns?
Barb wire?
An aircrew or heart on fire?
One thing girl you still gotta do
Come on girl, show me your tattoo

I got to see your tatoo
