Am I the only one that sees
Just how terrible she is to me?
While we trying to fix things for her,
She was wronging out to nothing.
But I was the one
Treated like a criminal for days,
Unaccountable words and feelings.
Left alone while the world
Said I could make her feel better.

All based on a storyline,
All based on a storyline.

So today I must say,
A part of me honestly hates you.
But still all I want is you,
And your love.
So come on and give it,
We both just forget it.
But when I look in your eyes,
I bet I see you feeling better.

All based on a storyline,
All based on a storyline.

All based on a storyline,
All based on a storyline.

All based on a storyline,
