(Should I show some skin?
Just for now.)

When she was just a girl
She expected the world
But it flew away from her reach
So she ran away in her sleep
And dreamed of...
Para-para-paradise, para-para-paradise, para-para-
paradise
Every time she closed her eyes

When she was just a girl
She expected the world
But it flew away from her reach
And the bullets catch in her teeth
Life goes on, it gets so heavy
The wheel breaks the butterfly
Every tear a waterfall
In the night the stormy night she'll close her eyes
In the night the stormy night away she flies...

And dreams of
Para-para-paradise
Para-para-paradise
Para-para-paradise
Oh oh oh oh oh oh-oh-oh
And dreams of
Para-para-paradise
Para-para-paradise
Para-para-paradise
Oh oh oh oh oh oh-oh-oh-oh

And so lying underneath those stormy skies
She'd said, "oh, ohohohoh I know the sun must set to
rise"

This could be
Para-para-paradise
Para-para-paradise
Para-para-paradise
Oh oh oh oh oh oh-oh-oh

Could be
Para-para-paradise
Para-para-paradise
Para-para-paradise
Oh oh oh oh oh oh-oh-oh-oh

This could be
Para-para-paradise
Para-para-paradise
Para-para-paradise
Oh oh oh oh oh oh-oh-oh
