From Me, From Me

And I pray, yes I pray

For thee, for thee, for thee-ee-ee

Another World

Wrapped up inside another place

And I hope, and I pray

That the pain goes away,

Yes I pray, Yes I pray, for thee-ee-e> Turn Away, Turn
Away

From Me, From Me

And I pray, yes I pray

For thee, for thee, for thee-ee-ee

Turn Away, Turn Away

From Me, From Me

And I pray, yes I pray

For thee, for thee, for thee.
